Pam:

I have uploaded to the EDI Gordon Creek 2, 7, and 8 Mine water monitoring sampling analysis results for site 2-2-W for the 4th quarter 2004. Apparently the lab data had not been entered properly when all the other sites were uploaded. Also, I have uploaded the first two months of 2005 monitoring data for Gordon Creek. Essentially, it covers the UPDES sampling results.

Thanks,
Chris
